

## *Punta Pays*

Punta Pays is a partnership between T. Edward and one of our closest friends, Finca Abril. Finca Abril was founded in 1996 by a husband and wife team in the Uco Valley. Finca Abril sourced fruit from the mid-elevation plots of La Consulta subzone that catch the maximum daylight hours but still benefit from the cooler breezes. These vines are irrigated by the Tunuyan river with tributaries of snow-cap meltwater that comes down from the San José volcano.

The grapes are picked by hand and placed in 20 kg plastic boxes. Once in the Finca Abril winery, the boxes are emptied on a selection table and the bunches and individual grapes that aren't in optimal conditions are discarded from the production process. The clusters are destemmed and the grapes are stored in stainless steel tanks for 72 hours at between 8 and 10°C in order to obtain the highest extraction of aroma and color before alcoholic fermentation. After maceration, the temperature is raised to 16°C and selected yeasts are added to start the alcoholic fermentation, which occurs at around 24-25°C over 10 days. Once the alcoholic fermentation has finished, the malolactic fermentation takes place in tank, giving the wine a mild and velvety character.

## *Malbec*

**Varietal/Blend:** Malbec

**Farming Practices:** organic

**Elevation:** 1,300 m.a.s.l.

**Soil:** alluvial stony and sandy surface with a clay-limestone base

**Vine Training:** high espalier

**Harvest Technique:** by hand in 3<sup>rd</sup> week of March

**Year Vines Were Planted:** 2004 on average

**Yeast:** selected

**Fermentation:** destemmed / 72 hours maceration / stainless steel fermentation over 10 days

**Malolactic:** full

**Alcohol:** 13.5%

**Fined:** yes

**Filtered:** yes

**Country:** Argentina

**Region:** Mendoza

**Subregion:** Uco Valley (La Consulta)

**Vineyard:** Finca Laborde

Punta Pays Malbec is a young, fresh and low-tannin wine. It is very easy to drink and it invites you to keep enjoying it. The color is red with violet nuances and one may find aromas of fresh cherries and strawberries.
