

Scribe Winery

Scribe produces vibrant, terroir-driven wines in Sonoma California. The winery was founded by Andrew and Adam Mariani in 2007 on a site that was known for winemaking before Prohibition. The Mariani brothers are the fourth generation of California farmers, so they are inspired by their relationship with nature and ensure that every vineyard remains in harmony with the whole ecosystem of each site. The wines are vinified with a non-interventionist philosophy.

About the Sylvaner

“Northern California experienced another cool and wet winter which kept the vines dormant through late March/Early April. The springtime brought a mix of heat spells followed by cool and wet weather. Our initial predictions were for a later harvest, but the warm summer months hastened the growing cycle of the vines. Harvest started for us August 14th with Rose of Pinot noir and ended with our Atlas West Cabernet Sauvignon in mid-October.”

“In 1858, Emil Dresel brought the first Sylvaner cuttings to America and planted them on what is now the SCRIBE Estate in Sonoma, CA. In homage we planted one acre in 2007 on the southwest facing slope of Arrowhead Mountain. We expanded our Sylvaner plantings in 2016 bringing our total acreage to three. Our sustainably farmed Sylvaner vineyard is composed of both volcanic tuff and Huichica loam soil.”
