

TITUS VINEYARDS

Located among 45 acres of historic vineyard in St. Helena, Napa Valley along the Silverado Trail, Titus Vineyards is a 2nd generation, family-owned and farmed estate that produces high quality grapes for limited production Napa Valley wines. A partnership between the vineyard and the surrounding environment, Titus Vineyards is also a partnership between the generation of the family that planted the estate and the generation that now farms it, a philosophy that is epitomized by the hard work of two men, brothers Eric (grape grower) and Phillip Titus (winemaker).

The Titus wine style focuses on creating robust reds that complement the Titus brothers' down-home character. Placing equal importance on viticultural and winemaking practices, Eric avoids pesticides, biocides and unnecessary fertilization in the vineyard, while Philip strives to extract as much color, flavor and structure from the grapes, without over-extracting tannins.

Believing that it takes great grapes to make great wines, the brothers aim to create red wines that reflect the family's personal sense of taste and style—full bodied and well balanced. By blending complementary varietals, Titus Vineyards creates wines that are distinctive and balanced, fusing the classic varietal characteristics with the vineyard location.

“Like the grapes, the vineyard produces this Cabernet is concentrated and rich with an enticing structure and robustness. The aromas are reminiscent of dark cherry, boysenberry, toffee, berry pie, coffee and dark chocolate. The palate is instantly filled with flavors of blackberry, black currant, rum raisin, and berry compote. The core of lush fruit leads to a finish rife with cocoa powder, warm spice, milk chocolate and radiant tannins that extend the finish.” Winemakers notes
