

TITUS VINEYARDS

Located among 45 acres of historic vineyard in St. Helena, Napa Valley along the Silverado Trail, Titus Vineyards is a 2nd generation, family-owned and farmed estate that produces high quality grapes for limited production Napa Valley wines. A partnership between the vineyard and the surrounding environment, Titus Vineyards is also a partnership between the generation of the family that planted the estate and the generation that now farms it, a philosophy that is epitomized by the hard work of two men, brothers Eric (grape grower) and Phillip Titus (winemaker).

The Titus wine style focuses on creating robust reds that complement the Titus brothers' down home character. Placing equal importance on viticultural and winemaking practices, Eric avoids pesticides, biocides and unnecessary fertilization in the vineyard, while Philip strives to extract as much color, flavor and structure from the grapes, without over-extracting tannins.

Believing that it takes great grapes to make great wines, the brothers aim to create red wines that reflect the family's personal sense of taste and style—full bodied and well balanced. By blending complementary varietals, Titus Vineyards creates wines that are distinctive and balanced, fusing the classic varietal characteristics with the vineyard location.

SAUVIGNON BLANC

Varietal/Blend: 100% Sauvignon Blanc

Farming: low-intensity farming techniques / no pesticides or biocides, and no unnecessary fertilization

Soil: well-drained, sandy, alluvial soils

Ave Year Vines Planted: 2004

Vine Training: quadrilateral cordon

Yeast: cultured

Fermentation: fermented at 55°F for 3 weeks in an 800 gallon stainless steel tank / on lees for 6 months

Aging: 6 months in stainless steel

Alcohol: 14.2%

Fined: none

Filtered: light

Production #s: 1870 cases

The 2.4 acres of Sauvignon Blanc were planted in 2004. The Sauvignon Blanc block is bordered by the Napa River on the southwest corner of the Titus estate vineyard. The vines are trained in a quadrilateral cordon fashion to enhance evaporation and prevent disease.

Country: United States

Region: Napa Valley
