

CROSBY

Crosby is a T. Edward custom label that was created to bring “varietal & vintage” correct expressions to the market at reasonable prices. The wines of Crosby are often crafted from declassified grapes that otherwise would have created a wine that cost considerably more money.

Crosby wines are all about great quality at a value price. With the help of experienced vineyard managers and grape growers from around California we seek out the best sources for each variety in each vintage. Our sources for grapes and winemakers remain anonymous for Crosby, but our standards stay at the highest level to bring the best value into the market from California.

ROSÉ

Varietal/Blend: Grenache and Mourvèdre

Farming: sustainable

Soil: sand and loam

Vine Age: variable

Fermentation: temperature-controlled, stainless steel fermentation

Aging: N/A

Alcohol: 13%

Yeast: selected

Fined: none

Filtered: light

Crisp refreshing rosé with a classic pale hue and notes of strawberry, melon and citrus. Balanced for a rounder mouthfeel without sacrificing a dry finish.

Country: United States

Region: California

Vineyard: multiple vineyard sources
